RE: Consumer Product Safety Improvement Act of 2008 (CPSIA) – General Certificate of Conformity (GCC)

Dear Customer,

Per the US Consumer Product Safety Commission (CPSC) guidelines, a General Certificate of Conformity (GCC) for, non-regulated, general use, non-children's products is not required.

ThermoPro, Inc., d/b/a Games People Play hereby certifies all products manufactured at our facility located at 1600 Cross Pointe Way, Suite D, Duluth, Georgia, United States of America, complies with all applicable consumer product safety rules for non-regulated, general use, non-children's products.

Third party laboratory testing is not required, however we perform internal testing of each product, during the manufacturing process, to insure quality as well as the safety of our products for their intended use.

Should you require additional information, please contact:
